HERITAGE
CHRISTIAN UNIVERSITY

2009 Begins!

A new semester has begun for us here at Heritage Christian! With a new semester comes new students, new ministry opportunities, and a renewed desire to do as much for the Lord and His work as we possibly can in the new year. Be praying for us as we strive to continue the tradition of spiritual excellence that you have come to expect from HCU.

Faculty Highlights

Dr. Jeremy Barrier recently completed a trip to Switzerland, where he presented a synopsis on his dissertation during a conference of The Association for the Study of Apocryphal Christian Literature. During his travels, he also visited Turkey, where he explored a cave in Ephesus, traveled on to Pergamum, and visited the Lycus valley.

Larry Murdock is currently in Syktyvkar, Russia, teaching in the Syktyvkar Bible School. He is the professor of an Introduction to the Old Testament class for graduate students, with a special emphasis on teaching the Old Testament. He arrived in Russia on January 2, and will be returning to us here at HCU on January 22.

Please keep both these men in your prayers as they continue to do the Lord's work in other parts of the world.

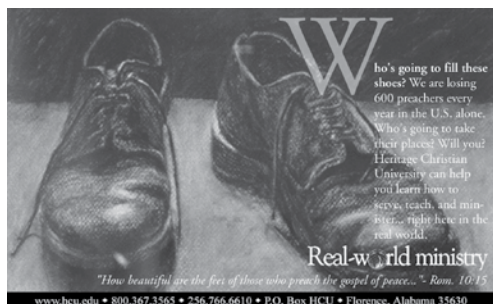

Donations to OML

NAMI Shoals, part of the National Alliance of Mental Illness, recently donated 20 books to the Overton Memorial Library. Each book deals with an aspect of understanding, coping with, or helping others cope with mental illness. We greatly appreciate NAMI's work and the gift of these helpful resources.
