

Friends of the Overton Memorial Library Used Bookstore contains books, CDs, and magazines, and surplus items that have been donated to the Overton Memorial Library. Books in the bookstore include those that have been published by Heritage Press and books by authors related to Heritage Christian University. Surplus items are those items that have been donated but are not needed for the library's collection.

Funds from sales of materials in the Used Bookstore provide funds for books needed to enhance the OML collection. Prices for new books and sets of books vary. Used hardcovers sell for \$5 and used paperbacks for \$2. The bookstore is open any time OML is open. Checks can be made to FOML Bookstore. Donations of materials are welcome.

Normal Hours of Operation: 8:00 a.m. to 5:00 pm M-F and 12:00 pm to 5:00 p.m. Saturday when school is in session. The library may be closed on Saturday between semesters or other times that classes are not in session.
