A MESSAGE FROM THE PRESIDENT

Heritage Christian University is looking for sincere, dedicated people who want to spread the gospel more than anything else in the world. Are you that kind of person? You may already know how to earn a living, but you feel you will never be satisfied until you use your talents and abilities to help evangelize the world.

There is a place for everyone at Heritage Christian University. Whether you are coming directly from high school or the workplace, single or married, male or female, Heritage Christian University can help you develop your talents for the Lord’s glory.

The church faces an acute shortage of mature, balanced people trained for a life of teaching God’s Word. For the church to have one full-time preacher for every 10,000 people in the world, it would need 600,000 additional preachers today! Although the need is great, the opportunities have never been greater. The church needs you, and you need to be in the Lord’s service.

Heritage Christian University can offer the education you need to be an effective communicator of the gospel. All faculty members dedicate themselves to world evangelism and possess excellent academic preparation along with sound practical experience.

Could it be that you will find your greatest fulfillment in communicating God’s Word? If so, Heritage Christian University is the place for you.

Sincerely,
Dennis Jones
Welcome to your collegiate adventure! Please expect opportunities to make new friends, connect with mentors, stretch your mind, and develop a love for life-long learning. With God’s help this adventure can open countless doors.

As you learn here, please choose to read widely. Take advantage of the Overton Memorial Library. Surprise your peers and yourself by reading beyond the assigned texts. You never know what you will learn on any given day.

As you grow here, please choose to put your knowledge into practice. Connect with a local congregation. Become important there by serving to the glory of God. Real world ministry is the only kind. If it does not honor God and help others, it is not really ministry.

As you study here, please know that much learning happens outside the classroom. The assignments are important as they help you master each subject, but the relationships you create may teach you even more. People are an amazing resource. And you can be an amazing resource to others.

As you serve here, please choose to be a blessing to others. Practice second-mile service. Pray for your teachers and fellow students. Love even those of us who are odd and challenging. God will bless you as you do.

Sincerely,
Bill Bagents

GENERAL INFORMATION

History

Students who come to Heritage Christian University become a part of a great heritage of Christian education and evangelism. Heritage Christian University was organized in 1971 to increase the number of capable men and women with world vision and to prepare them for a life of Christian service. From its beginning, the university offered a four-year program of study emphasizing the biblical text and evangelism. In 2000 it added a graduate program and changed to its present name from International Bible College.

Heritage Christian University is properly constituted, authorized, and operated as a non-profit organization and is officially recognized by both federal and state authorities. A Board of Directors governs the university through its Constitution and Bylaws.

Heritage Christian University is accredited by the Commission on Accreditation of the Association for Biblical Higher Education, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

The Internal Revenue Service has ruled that the university is an exempt organization, 501(c)(3), under the Internal Revenue Code and is eligible to receive tax-deductible gifts.

Generous gifts from friends enabled the university to move to its present campus in 1978. The Bible Building and the Alexander Building were constructed on fifty-seven acres of land.
What began as a dream has become a significant educational enterprise. The goals of the past, education and evangelism, remain the goals of the future. These goals are outlined in our mission statement.

**Mission Statement**

Heritage Christian University exists for the advancement of churches of Christ by equipping servants through undergraduate and graduate programs and continuing education. HCU produces effective communicators, preachers, teachers, and missionaries for real-world ministry with a focus on evangelism and a commitment to scripture.

**Expanded Mission Statement**

Affirmations on which the mission is based. Heritage Christian University affirms the existence of God the Father, Jesus Christ the Son, and the Holy Spirit. Heritage Christian University believes that the Bible is the inspired, holy, and revealed Word of God and that through the Bible people can come to a saving knowledge of God, His Son, Jesus Christ, and the Holy Spirit.

The university affirms that through faithful obedience to the commands of Jesus Christ, one can be added to His spiritual body, which is the church. The university believes that this church is charged with the mission of evangelizing the world. The university affirms that Christians will be better equipped to effectively communicate the good news if they are educated by using the standards of higher education, which emphasize a general education core.
Heritage Christian University’s mission and its supporters. While having neither legal nor formal ties to any religious organization, Heritage Christian University is associated with and supported by individuals and congregations of the churches of Christ. The university is under the control of a self-perpetuating Board of Directors who are members of churches of Christ. Churches of Christ support the faculty as part of their mission programs. Each administrator, faculty, and staff person is a member of the churches of Christ.

Heritage Christian University’s mission and its students. The student body is racially and ethnically diverse.

Heritage Christian University strives to create a practical learning environment and to equip students with the knowledge, attitudes, vision, and skills necessary to become leaders in the church capable of impacting a global society.

Heritage Christian University expects all students to exemplify the highest standards in integrity, purity of thought, speech, and actions. The university expects them to dress modestly and to abstain from the abuse of drugs, from the use of alcohol and tobacco, and from all forms of sexual immorality. Heritage Christian University requires all students each semester to complete a series of supervised Christian service activities.

Heritage Christian University’s mission and its academic program. Heritage Christian University’s faculty has a proven record of mission work, church planting and building, and educational attainment. Heritage Christian University focuses on education that leads to church-related vocations such as youth ministry, pulpit ministry, foreign
and domestic missions, ministerial counseling, and other full-time and part-time Christian work. The university seeks to motivate every student to adopt a global vision for evangelism.

The curricula are divided into three areas: General Education, Biblical and Theological Studies, and Professional Studies. The courses in general education aim at expanding students’ knowledge of the arts, science, and math to serve them as a foundation for all other areas of study. Heritage Christian University’s courses in Bible examine the circumstances and content of the biblical text. The doctrinal courses concern religious teachings viewed from a biblical, historical, and systematic standpoint. The courses in professional studies relate the knowledge in the other two areas to the practice of the ministry.

Institutional Goals

To ensure a preeminent biblical education, Heritage Christian University will:

- Provide general education courses that parallel the lower division offerings of other four-year colleges and universities.
- Provide degree offerings in Biblical Studies to give students the skills necessary to meet the needs of the church.
- Offer a comprehensive, quality library to assist students, faculty, alumni, and the community in research, ministry, and personal development.
- Assist students in achieving their educational goals by
making available student and educational support services.

- Operate with a systematic, broad-based research, planning, and evaluation process for the ongoing pursuit of institutional effectiveness and continuous improvement.
- Utilize a qualified, competent faculty, staff, and administration dedicated to carrying out the role, scope, and mission of the institution as adopted by the Board of Directors.
- Operate with adequate physical, financial, and relational resources to accomplish the role, scope, and mission of the institution.

**Distinctiveness**

Heritage Christian University exists to help Christians answer God’s call to ministry. We do that by offering a balanced, comprehensive, practical education that impacts the whole person. We make it our aim to:

- Challenge students academically.
- Enhance their passion for ministry.
- Strengthen their skills for service.

We recognize that the kingdom needs well-rounded, thoughtful leaders, so for balance and depth, we provide general instruction in the humanities – English, literature, speech, history, psychology, and philosophy. In an increasingly educated society, cultural literacy is expected, and polished communication skills are essential.

Our courses in Biblical and Theological Studies provide a
foundation for lifelong spiritual growth. They demand rigorous study and careful thought, and they are always taught with practical ministry in mind. Each teacher is an active, faithful, mission-minded Christian.

In addition to a rigorous academic program, HCU students are encouraged and required to apply what they learn in real-world settings. Real-world ministry is the heart of our academic program. That is the distinctive focus of Heritage Christian University.

Because of the importance of Christian service to an effective Christian life, Heritage Christian University stresses the spiritual development of its students in faith, prayer, and ministry. And because graduates enter a variety of ministries at home and abroad that demand special skills, practical training is an integral part of the learning experience at Heritage Christian University. Christian service is not an optional activity and is vital to the student’s preparation. To graduate, a student must complete the required Field Education units and Missions Practicum. Such learning opportunities are under the direction of experienced leaders who have exemplary records in evangelism. These experiences for students build confidence, sharpen skills, and make each class more purposeful and real. Real-World Ministry – that’s who we are.

**Religious Character**

All Heritage Christian University faculty accept the following statement as literally true: God exists and by His love, mercy, and grace saves all who believe, love, and obey Him; the Bible is God’s Word; Jesus Christ is the Son of God; the church is the body of Christ and “the pillar and bulwark
of the truth”; the mission of the church is to glorify God as it evangelizes the world.

**Academic Recognition**

**Location**

Heritage Christian University is located in Florence, Alabama. Lauderdale County was created on February 6, 1818. Florence was founded five weeks later and named by a young Italian surveyor after his favorite city at home, Florence, Italy. Florence has a population of approximately 40,000. The adjacent cities of Sheffield, Tuscumbia, and Muscle Shoals combine with Florence to make up a metropolitan area of more than 143,000.

The Shoals area has many recreational facilities, tourist attractions, and cultural events. Among these are Wilson
Dam, the oldest in the TVA chain, featuring the world’s highest single-lift navigation lock; Ivy Green, the birthplace of Helen Keller; the Rosenbaum House, designed by Frank Lloyd Wright; and the William C. Handy home, birthplace of the famous musician and composer. Other places of interest include the T. B. Larimore home, Indian Mound Museum, Natchez Trace Parkway, Pope’s Tavern, Alabama Music Hall of Fame, the Children’s Museum of the Shoals, and the Kennedy-Douglas Center for the Arts. Florence is the home of the University of North Alabama, one of the oldest universities in the South. The area’s recreational opportunities attract many visitors, and the Tennessee River provides excellent water sports.

In addition, there are more than thirty churches of Christ in the city of Florence and more than seventy-five in the metropolitan area.

Campus

Heritage Christian University has a fifty-seven acre campus in Florence, Alabama. Among its resources are:

The Bible Building. Built in 1978, this 27,000 square foot academic building contains administrative and faculty offices, classrooms, an auditorium, and a cafeteria.

The Alexander Activities Building. Built in 1978, this building has 24,000 square feet of space. This building houses the Overton Memorial Library, faculty offices, gymnasium, and a recording studio.

Dormitories. One dormitory building owned by the university provides living space for up to thirty-two students. Each apartment is complete with living room,
bedrooms, bath, and kitchen.

**Student Apartments.** Another building located on campus contains two-bedroom apartments that are available to qualifying students.

**Dr. John Kerr Student Center.** This building is available for student recreation. The center provides a kitchen, recreation room, television room, and laundry.

**Smith Park.** This is located between the Bible Building and the Alexander Activities Building. Students use the park for devotionals, picnics, and cookouts, as a playground for their children, and for other activities.

**Ralph C. Bishop Soccer Field.** The Bishop soccer field provides a playing field for area soccer teams and student recreation.
CAMPUS LIFE AND STUDENT SERVICES

This section of the catalog introduces the student to life outside the classroom. It gives an idea of what is available on campus and off campus.

Heritage Connect

Heritage Connect is a required, two-day experience at Heritage Christian University designed to help new students (freshmen and transfer) make a successful transition to university life. Heritage Connect provides entering students with the information, support, and resources necessary to begin academic work at HCU successfully, including an introduction to student support services, registration, and the process of ordering textbooks. Contact the Department of Student Affairs for more information, including cost and schedule. Distance Learning students are not required to attend Heritage Connect, but are strongly encouraged to do so.

Place of Residence

The university provides on-campus housing for students. The Department of Student Affairs maintains a list of available housing in and around Florence and helps students secure accommodations. Heritage Christian University takes no responsibility for financial, legal, or maintenance relationships between landlord and student.
Student Activities

While at Heritage Christian University students have the opportunity to become involved in organizations and activities that promote spiritual values. These activities help students become aware of occasions for personal ministry, spiritual maturity, and leadership roles. The following are a few extracurricular activities that can contribute to the student’s personal development:

- The Student Government Association (SGA) promotes understanding among the students, faculty, and administration. Its purpose is to encourage a spiritual, scholastic, and social balance for every student at Heritage Christian University.
- Heritage Christian University facilitates speakers from around the world to share their knowledge and experience with faculty, students, and hundreds of visitors.
- Heritage Christian University students develop relationships with classmates that are cherished for many years. Students often plan meals, outings, and other special events that nurture these friendships. The university also holds activities that promote student fellowship.
- The university provides other opportunities for personal growth. Students are encouraged toward active participation and leadership in daily chapel services. Student groups also sponsor meetings that feature a variety of speakers on helpful topics.
Manner of Dress

The university expects students to be modest in dress and appearance. Students should always dress in good taste. Choice of clothing affects influence for Christ. Students should therefore consider the propriety of their attire, whether on or off campus. Details of the dress code are outlined in the Student Handbook that may be obtained from the Department of Student Affairs.

Conduct

It is impossible to predict all human behavior or to write down all rules for proper conduct. Therefore, no set of student regulations is totally comprehensive. Students must observe biblical standards of conduct and avoid words and behavior unbecoming to Christians. Students must conduct themselves with proper decorum in the classroom, with teachers, fellow students, family, and church members with whom they worship and work. Each student must display proper attitudes in all matters concerning schoolwork.

Students must assume proper responsibility as citizens. Any student convicted of a violation of the law (other than minor traffic violations) will be subject to discipline by the university.

Everyone must deal honestly and uprightly both in and out of the classroom and with those churches and individuals who give financial support. Students must meet their financial obligations to the school and community.

After admission a student may be requested by the Department of Student Affairs to withdraw from the school at any time such action serves the best interest of the student
or the university. The request may be based on conduct or character inconsistent with the ideals of the university. When a student is dismissed, the dismissal becomes a part of the student’s permanent record. A student dismissed for any reason may appeal through the Discipline Committee. Ultimately, appeal may be made through a written request to the President of the university. (See the Student Handbook.)

**Physically Challenged Students**

The Heritage Christian University campus adapts to students with mobility impairments. Contact the Dean of Students with concerns. Modifications or adjustments will be made when necessary for otherwise qualified students, including but not limited to the following:

- Alternate methods of testing and evaluation.
- Change of physical accommodations.

**Academic Advising**

A faculty advisor guides the student in the proper course selection and interprets course requirements. Full-time faculty members maintain regular office hours. Students should take the initiative in contacting faculty advisors during posted office hours. Responsibility for the attainment of a student’s academic goals rests with the student, not the advisor or the university.
Counseling

Students who may need premarital or marital counseling or help with other personal problems should contact a faculty member, Dean of Students, Dean of Men, Dean of Women, or the Alpha Center.

Faculty members are available for career counseling and will take time with students to help them pursue their goals and aspirations.

Library

The library was dedicated in November 1986 in honor of Basil and Margie Overton and in memory of their son, Timothy, who died in 1974.

Both student and researcher can appreciate the Overton Memorial Library. Books, periodicals, and other resources, such as pamphlets, booklets, maps, records, tapes, CDs, and microfilm, have their place in this well-rounded collection.

Library holdings are over 120,000 items. Heritage Christian University encourages patrons from the community, especially local preachers and graduate students, to use the library.

Bookstore and Textbooks

The university operates a bookstore to handle textbook sales. The bookstore is open during registration.

Textbooks are also available through an online bookstore at www.ecampus.com/hcu.
Computer Needs

A student is expected to have a functioning knowledge of computer skills and usage. S/he will be required to have access to and use of a computer and internet access. Free wireless internet access is available on campus.

If a student does not own a computer and needs assistance obtaining one, contact the Business Office. All computers must have the minimum operating requirements to function properly with university programs. Minimum operating requirements can be found online at https://help.tegrity.com/what-are-the-requirements-for-a-viewing-a-tegrity-recording.html.

Computer equipment owned by a student cannot be restored, renovated, or repaired by the university IT Services Department. A student must obtain these services outside of the university.

Food Services

The university maintains an excellent cafeteria providing breakfast and lunch Tuesday through Friday at a competitive price. The cafeteria is in service through the Fall and Spring semesters. A meal plan is available for all students and required for all on-campus students.

Alumni Association

This association promotes Heritage Christian University by keeping its membership informed and stimulating interest in the university. Officers are elected at the annual meeting. The association conducts chapel once each month.
to encourage the student body.
FINANCES

This section contains basic information regarding financial assistance. Heritage Christian University reserves the right to increase fees and other charges without prior notice. Heritage Christian University’s Student Consumer pamphlet, *Money Matters*, available at the Office of Admissions and Financial Aid, contains current information concerning the cost of attending Heritage Christian University.

**Payment at Registration**

Payment of all tuition and fees is expected at registration. Students approved for federal financial aid may defer payment until aid payments become available. Students who make full payment on or before the last day of pre-registration will receive a 5% discount off tuition charges. The university accepts payment by cash, check, money order, debit card, or major credit card.

**Partial Payment Plan.** Heritage Christian University offers a payment plan which extends tuition payments over a four month period for the fall and spring semesters, and a three month period for the summer semester. The plan is as follows:

**Fall**
- 25% due by the last day of pre-registration
- 25% due September 1
- 25% due October 1
- 25% due November 1
**Spring**
25% due by the last day of pre-registration
25% due February 1
25% due March 1
25% due April 1

**Summer**
50% due by the last day of pre-registration
25% due June 1
25% due July 1

Students within the following categories are required to sign up for the partial payment plan:

- Students who do not expect to receive federal financial aid and cannot pay all charges in full by the last day of pre-registration, but can make payments on the above applicable dates.
- Students with pending financial aid and scholarship award amounts that will not cover the entire semester’s charges and who cannot pay all outstanding charges in full by the last day of pre-registration, but can make payments on the above applicable dates.

**Explanation of Charges**

**Registration fee.** The per credit hour registration fee is required of all credit students, regardless of classification (campus, online, undergraduate, and graduate) or type of housing (on or off-campus). The fees are used to cover the cost of courses and the amount is determined by the number of credit-hours for which the student registers each semester.
In addition, this fee helps to cover the cost of maintaining academic records, the publication costs of the HCU yearbook, the cost of the administration of the mandatory placement tests, and costs to assist student support programs and related library-based activities.

**Tuition.** The tuition fee applies to credit courses. Conversion from audit to credit status must be made within the drop/add period. If a student desires university credit after that date, s/he must repeat the course. Scholarships are available to help cover tuition for spouses of degree-seeking, full-time students (12 hours or more). The Administrative Council annually reviews tuition charges.

**Dormitory rent and deposit.** Several on-campus rooms are available for students. Room assignments are made according to the date of application. Interested students should contact the Department of Student Affairs. The reservation and maintenance fees should accompany the admission application. The university retains the maintenance fee. The reservation fee is refundable within ten days after written request by the student at the end of the contract period (withdrawal from school, end of semester, or graduation), or it may be left as a room reservation fee for the succeeding period.

**Refund Policy**

When a student withdraws from one or more of his/her courses, s/he is due a refund on a pro rata basis. The withdrawal date is the date the Registrar receives a notification, not the date when the student stops attending
class. The amount refunded will be according to the following schedule.

Before the 1st day of class through the 2nd week ...... 100%
Third week ................................................................. 50%
Fourth week ............................................................... 25%
After the fourth week ................................................. No refund

Student Financial Aid

While the financing of education is primarily the responsibility of the students, eligible students may obtain assistance. Depending on needs, eligible students may receive one or more types of assistance through available programs. The Federal Student Aid Information Center publishes an annual brochure containing policies and procedures for the various forms of financial aid. The brochure also contains any necessary revisions to financial aid programs because of changes in federal or state regulations. FAFSA applications must be completed online at http://.fasa.gov.

The following financial sources are available:

- Federal Pell Grant Program
- Federal Supplemental Educational Opportunity Grant
- Federal Work-Study Program
- William D. Ford Federal Direct Loan Program
- Veterans Educational Program
- Scholarships from foundations and individuals
- Heritage Christian University scholarships
Federal Pell Grant Program

A Federal Pell Grant, unlike a loan, typically does not have to be repaid. Pell Grants are awarded only to undergraduates who have not earned a bachelor’s or professional degree. For many students, Pell Grants provide a foundation of financial aid to which other aid may be added.

Federal Supplemental Educational Opportunity Grant

The Federal Supplemental Educational Opportunity Grant is for undergraduates with exceptional financial needs and gives priority to students who receive Federal Pell Grants. A Federal Supplemental Educational Opportunity Grant does not have to be repaid. It is based on the availability of funds.

Federal Work-Study Program

The Federal Work-Study program provides jobs for students with documented financial need, allowing them to earn money to help pay education expenses. Work hours vary to fit the student’s academic schedule. Students working in this program are paid monthly and will receive at least the current federal minimum wage. Students enrolled for at least six hours per semester may receive funds from this program if funds are available.

Awards are based on need, types, and amounts of other aid received, number of hours worked per week, length of academic program or period of employment, and anticipated wages.
William D. Ford Federal Direct Loan Program

Commonly referred to as the Direct Stafford Loan Program, this loan program was created specifically for students who are accepted in a degree granting program, attending at least half-time at a postsecondary institution and meeting satisfactory academic progress standards as defined by current federal regulations and the University. Direct Stafford Loans are low-interest loans to help eligible students cover the costs of higher education and cannot be used to purchase a vehicle, pay legal fees or consumer debts. Heritage Christian University is responsible for determining eligibility for this program each year based on the results of the student’s Free Application for Federal Student Aid (FAFSA).

Direct Stafford Loan Types

**Direct Subsidized Loans** are based on financial need. Students are not charged interest on a Direct Subsidized Loan while in school enrolled at least half-time or during grace periods and deferment periods.

**Direct Unsubsidized Loans** are not based on financial need. Interest accrues (accumulates) from the time it is disbursed to the student. Students have the option of paying the interest while in school, during the grace periods and deferment or forbearance periods, or allowing it to accrue and be capitalized (added to the principal amount of the
Choosing the second option will increase the total amount a student repays.

**Terms and Conditions** The Direct Stafford Loan Program has a fixed *interest rate* on undergraduate subsidized and unsubsidized loans. Both loans have an *origination fee* that reduces the gross amount that appears on the student’s billing statement. Repayment for Direct Stafford Loans begins 6 months after a student graduates or ceases attending school at least half-time. The standard repayment term is 10 years, although one can get access to alternate repayment terms (extended, graduated and income contingent repayment) by consolidating the loans.

**GI Bill and Financial Aid Assistance**

Veteran services are provided to our student veterans, dependents, and military personnel through the Office of Financial Aid. The OFA aims to facilitate veteran student success by providing support, resources and information that meets the unique needs of veteran students. Its administrative role includes assisting with the processing of veteran benefits, processing payments from the VA and ensuring that students understand the procedure to ensure that they will be receiving their benefits from the VA.

**Yellow Ribbon GI Education Enhancement Program**

HCU is pleased to be participating in the Yellow Ribbon GI Education Enhancement Program. This program is a provision of the Post-9/11 Veterans Educational Assistance Act of 2008. It allows institutions of higher learning (degree granting institutions) in the United States to voluntarily
enter into an agreement with VA to fund tuition expenses that exceed either the annual maximum cap for private institutions or the resident tuition and fees for a public institution. The institution can contribute up to 50% of those expenses and VA will match the same amount as the institution. HCU has expanded the Yellow Ribbon program’s eligibility to include not only undergraduate, but graduate students as well, both full-time and part-time enrollment.

Satisfactory Academic Progress Policy

In accordance with the federal regulations, HCU is required to implement Satisfactory Academic Progress (SAP) policies to ensure financial aid recipients maintain satisfactory academic progress toward the achievement of their degree. Requirements of SAP are monitored at the end of each semester (Fall, Spring, Summer). Students who do not meet SAP requirements will not be eligible for financial aid. Minimum standards, including qualitative and quantitative measures of progress, must be achieved by the end of semester in order to maintain financial aid eligibility.

Conditions for Maintaining Satisfactory Academic Progress

In order to maintain Satisfactory Academic Progress, students must successfully complete 67% of all credit hours attempted, complete a degree program in the allowable time-frame, and maintain a minimum cumulative GPA as presented in the following table:
<table>
<thead>
<tr>
<th>Total Attempted Hours</th>
<th>Minimum Cumulative GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 – 59</td>
<td>1.80</td>
</tr>
<tr>
<td>60 and above</td>
<td>2.00</td>
</tr>
</tbody>
</table>

Hours attempted include transferred credits, repeated courses, dropped courses, withdrawals, and incomplete courses.

Students are expected to read the HCU Satisfactory Academic Progress policy located on the university website. In addition, students are encouraged to pay special attention to eligibility requirements and the consequences of failure to meet satisfactory academic progress.

Financial aid standards for satisfactory academic progress are not the same as the university academic standing standards. Students should review both sets of policies and ask for clarification as needed. Questions about federal student aid SAP policies should be directed to the Office of Financial Aid; questions about the university’s Academic Standing policies should be directed to the Office of the Registrar.

**Scholarships**

Interested foundations and individuals provide scholarships for HCU students. Detailed information concerning these scholarships can be found in the Office of Financial Aid located in the Enrollment Services Department. Recipients of these awards are chosen by financial need, previous academic record, and ministerial promise. Students wishing to apply may obtain an application form from the Office of Financial Aid. Heritage Christian University awards scholarships each academic
year. A student needing such assistance must apply each academic year. The deadline for application is August 1 for Fall and December 1 for Spring. Applications received after that date will be considered only as funds become available. Scholarship assistance does not apply to dormitory rent or fees. Scholarships are available only to degree-seeking students. Students are responsible for their own financial arrangements. Heritage Christian University does not assume financial responsibility for any student.

**How to Apply for Financial Aid**

A student may apply for federal assistance by completing the Free Application for Federal Student Aid (FAFSA) online at [http://fafsa.gov](http://fafsa.gov). Heritage Christian University’s federal school code is 015370. To be eligible for any of the Federal programs, students must complete the FAFSA. For further help or information, students should contact the Office of Financial Aid.

**Employment Opportunities**

The university helps students and alumni in securing employment in ministry. Anyone needing assistance in securing part-time or full-time employment should inquire at the Enrollment Services Office or University Advancement.

Job opportunities and listings may also be found online at www.hcu.edu.
GENERAL ACADEMIC INFORMATION

This section contains information about admission, academic policies, and Christian service. This section should be used to learn about semester planning, progress toward graduation, and graduation requirements. It may also be used to interpret grades and clarify standing.

ADMISSION

It is essential that an applicant give evidence of good character, maturity, the ability to benefit from a university education, and be a member in good standing with the church that s/he attends and in the community. Admission to the academic program also implies a student’s agreement to abide by the standards of the university regarding student life. Correspondence regarding admission should be addressed to the Director of Enrollment Services.

Heritage Christian University adheres to The Family Educational Rights and Privacy Act (FERPA) guidelines. This is a federal privacy law that gives students certain protections with regard to their education records, such as grade reports, transcripts, disciplinary records, contact and family information, and class schedules. FERPA information is available in the Registrar’s Office or may be obtained with the following contact information:

Family Policy Compliance Office

Admission Procedures

- A completed application and non-refundable application fee.
- Proof of high school graduation, e.g. an official high school transcript, GED Certificate, or a state-approved homeschool transcript.
- Three letters of recommendation as to the applicant's ability to do undergraduate work and his/her good character. The "Letter of Recommendation Form" is also available online at www.hcu.edu. These letters must be mailed.
- Official transcripts from every college or university previously attended.
- College Readiness Test. HCU requires all applicants under the age of 31 to submit at least one college readiness test score such as the ACT and/or SAT. Official scores must be at least 17 on the ACT or at least 800 on the SAT, and they must be sent directly from the testing agency. Scores from transcripts will not be considered. Scores must be received by the appropriate application and/or scholarship deadline. Students who have not taken a college readiness test should plan to test at least six weeks prior to the deadline to allow sufficient time for scores to be sent to HCU.
- If no prior ACT score is submitted, students admitted to the A.A. or B.A. programs must take the English Placement and the Math Diagnostic Exam to determine correct placement in these courses of study.
- A student with poor academic records may be accepted on a probationary basis for one semester (see Academic Probation).
• A student previously dismissed for behavioral problems from other institutions will be required to provide a complete written disclosure of dismissal information in order to receive enrollment consideration.
• The university reserves the right to reject or accept any application at its own discretion.
• Acceptance Status: The student may be granted acceptance in one of the following categories: (1) a regular (degree-seeking) student, (2) a non-degree-seeking student, or (3) a conditionally accepted student. A non-degree-seeking student who wishes to change his or her status in order to receive a degree must notify the Registrar requesting such a change and must meet all the requirements degree-seeking students have met. For conditional acceptance, see the following section. If a student who is conditionally accepted does not complete all outstanding requirements by the end of the semester, then s/he will not be allowed to register for the following semester.
• **Conditional Acceptance:** A student may be conditionally accepted if all admissions requirements have been met except the university receiving the student’s ACT or SAT score report.
• Auditing Classes: Individuals may audit courses for whatever benefit they derive from them, as long as their presence does not detract from the teaching/learning process. Auditors need not go through the admissions process; nor will their work, if any, be graded. To audit a class, a student must see the registrar, fill out a class registration form, and pay the audit fee.
General Information

All students must apply for admission to the university before being enrolled in a course. This applies to first-time freshmen, transfer students, and students being re-admitted after an absence of more than twenty-four months. Any student who interrupts his or her enrollment by an absence of one year will incur the obligation of meeting changed requirements.

Application for enrollment must be submitted online. Paper applications will not be accepted.

International Applicant Admission Requirements

Heritage Christian University requires a separate application for international students. Please review the information under Admission Procedures, as the same information applies to international students, with the following exceptions:

- **Scholarship**
  Eligible international students may be awarded a full tuition scholarship. Because of the limited financial aid resources available to international applicants, HCU can offer this scholarship to no more than 5 individuals from the same country each year. Students who are awarded the scholarship must maintain a cumulative GPA of 2.0 or higher.

- **Financial Support**
International applicants are not eligible for Federal Financial Aid, and typically not allowed to work in the United States while in school. Therefore, applicants are required to submit proof of financial support and sponsorship from a church of Christ congregation in the United States or pay all charges for at least two years up front. For additional information about financial support and church sponsorship, contact the Office of Financial Aid.

- **Non-U.S. Education Credentials**
  Official education documents that note your grades or degrees are required and must be sent directly from your school to a professional academic credential evaluation company. We recommend the use of World Education Services (www.wes.org). Personal copies of academic credentials will not be accepted by HCU for the admission process.

- **Fluency in English**
  Fluency in English is a prerequisite for admission for international students at Heritage Christian. Applicants must demonstrate proficiency by taking and passing the TOEFL as part of the application process. Applicants must also complete a TOEFL Score Report Request Form to request an official score record. Use the code number 8931 when indicating Heritage Christian University as the score recipient. Applicants may not submit personal copies of TOEFL scores as official records. Complete the TOEFL form online by visiting www.toefl.org. Applicants who have earned an accredited degree from an institution
of higher learning within the United States or an American institution abroad, or a transfer student who completed English Composition 101 or higher with a C or better from an accredited institution from within the United States, are not required to take the TOEFL. In addition, applicants from a TOEFL exempt country are not required to take the exam. For a complete list of TOEFL exempt countries, please visit our website. Applicants must achieve at least the following scores on the TOEFL:
   Internet Based Exam – 100
   Paper Based Exam – 600

• **Residential Requirements**
  Single students and married students who are not accompanied by a spouse must live in campus housing. Married students accompanied by a spouse and family may live off campus with prior written permission from both the university and the student’s sponsoring congregation. Students who remain in the United States during the summer are required to take a minimum of six credit hours at Heritage Christian University.

• **Fundraising**
  Students will not engage in fundraising without prior written approval from the university’s Directors of Enrollment Services and University Advancement.
• **Health Insurance Coverage**
  International students must secure and maintain health insurance coverage while attending Heritage Christian University.

**Non-Degree Seeking Students**

Students not seeking a degree must comply with the following guidelines:
- Those students wishing to audit classes (attend classes without receiving credit) must register during pre-registration, on registration day, or by drop/add day.
- Those students wishing to take classes for credit must follow the normal admission procedures.

**Transfer Students**

Heritage Christian University accepts applications for admission from students who have attended community colleges, junior colleges, other four-year institutions, and schools of preaching.

Quarter hours are converted to semester hours according to the following schedule:

1. Heritage Christian University endorses the November
2000 Council for Higher Education Accreditation document *A Statement to the Community: Transfer and the Public Interest.*

a. The following three criteria are central to transfer decision-making: academic quality, comparability of courses, and appropriateness/applicability of courses.

b. Responsibility for decisions regarding acceptance or non-acceptance of credits earned elsewhere lies with the Academic Dean.

2. Courses deemed remedial are not eligible for transfer (i.e., course numbers beginning with "0" are not eligible for transfer).

3. Eligible credits from institutions holding CHEA-recognized accreditation may be accepted as elective credit.

4. Eligible credits from institutions holding CHEA-recognized accreditation may be accepted as non-elective credit on a course-by-course basis provided the transferring course is comparable upon review by the Academic Dean to the corresponding course offered by Heritage Christian University.

5. Based on a strong history of biblical knowledge demonstrated by transfer students, courses from institutions lacking CHEA-recognized accreditation, particularly schools of preaching, will be accepted by Heritage Christian University on the following bases:

   a. Knowledge by Heritage Christian University of the academic quality of the transferring institution.
b. Only courses in the area of biblical studies are eligible for transfer.

c. Courses in the area of biblical studies may be transferred as non-elective credit on a course-by-course basis provided the transferring course is comparable to the corresponding course offered by Heritage Christian University.

d. Courses in the area of biblical studies may be transferred as elective hours.

e. When the criterion of course correspondence is met, only course requirements at the 100- and 200-level at Heritage Christian University may be fulfilled by such transfer (i.e., there will be no transfer of courses at the 300 or 400 levels with the exception of biblical languages courses).

f. Students transferring from unaccredited institutions must complete 12 semester hours at Heritage Christian University with a grade point average of 2.50 or above before any transfer of credit is awarded.

Admission of Transient Students

Transient status is available to students regularly enrolled and in good standing at other colleges and universities but desire to attend Heritage Christian University under transient status. Transient students should provide an approved transient form from the college or university in which the student is presently enrolled.

Credit from Transient Student Status

A student who wishes to enroll temporarily at another
institution to take course work for transfer of credit back to Heritage Christian University must secure advance approval from the dean of the university at which the course(s) is taught and approval from the Academic Dean. A form is available in the Registrar’s Office for Heritage Christian University students who desire transient status at another institution.

No student on academic probation or conditional acceptance may be approved for transient work, and courses taken by such a student elsewhere will not be accepted.

Transcripts of transient work to be applied toward meeting graduation requirements must be received by the Office of the Registrar within the next semester after credit is earned, and at least two weeks prior to the date of graduation.

**Early Admission for Accelerated High School Students**

A student is eligible for early admission if the student meets all of the following criteria:
- The student has successfully completed the tenth grade.
- The student provides certification from his/her school principal, or his or her designee, certifying that the student has a minimum cumulative “B” average and recommending the student be admitted under this policy.
- The student may enroll only in postsecondary courses for which high school prerequisites have been completed (for example: a student may not take English Composition until all required high school English courses have been completed).
Students seeking credit through the High School Accelerated program must:

- Submit a completed application to the Enrollment Services Department.
- Complete an Accelerated High School Authorization Form. This form must be completed each semester the student continues in this program.

All college credit completed at Heritage Christian University prior to earning the high school diploma or GED is conditionally awarded. The student’s transcript will read “Conditionally Accepted” until an official high school transcript showing the date of graduation has been received by the Enrollment Services Department. Accelerated high school students are not eligible for financial aid.

An accelerated high school student who later enrolls as a traditional student at Heritage Christian University will automatically receive credit for hours earned under this program, if the credits are applicable toward his/her degree program. A student attending another college or university, however, must request in writing that an official transcript be mailed to institutions, if s/he desires to receive credit earned through this program. Acceptance of transfer credit is a decision made by each individual institution.

College credit earned through this program may not substitute for high school credit.

**Dual Enrollment/Dual Credit**

Heritage Christian University participates in dual enrollment/dual credit for high school sophomores, juniors,
and seniors in accordance with the rules of the Alabama State Board of Education. High school upperclassmen with at least a “B” average may enroll in university courses and receive both high school and college credit. Enrollment for dual credit requires prior written approval by the student’s high school and successful application to the university.

Former Heritage Christian Students

Former students not enrolled in the preceding twenty-four months must reapply for admission. Current catalog requirements will apply. Any student who interrupts his or her enrollment by an absence of one year will incur the obligation of meeting changed requirements. Students who fail to complete catalog requirements within seven years of matriculation will also become subject to the current catalog. Any student who interrupts his or her enrollment by an absence of one year will incur the obligation of meeting changed requirements.

Credit by Examination

A student may receive a maximum of thirty hours credit through one or more of the programs listed:

- **CLEP** (College Level Examination Program). The university will accept both general and subject examination scores that meet the standards set by the American Council on Education (ACE) for granting credit (HCU code 0805).
- **DANTES** (Defense Activity for Non-Traditional Education Support). DANTES Subject Standardized Tests...
are also developed and scored by ETS (Educational Testing Service) with their current fees in effect and may be administered to the students at any time of the year.

- **CDC.** Heritage Christian University will also grant college credit through the Credit By Demonstrated Competency (CDC) process. This process has also been known as credit for prior learning or prior learning assessment. The concept is based upon the assumption that adult learners have a number of experiences in their past during which they engaged in learning at the university level. This learning, to result in university credit, must also be retained, must not duplicate other learning (such as college or university courses), and must be explained and documented.

- **Challenge Tests.** When a student believes s/he already possesses mastery of the content of an HCU course, the student may elect to challenge that course for credit. The procedure is as follows:
  1) Inform the Academic Dean of your desire to challenge the course.
  2) With the Academic Dean’s approval, register for the challenge test through the Registrar.
  3) The Academic Dean will ask the appropriate supervising instructor to prepare the comprehensive challenge test. This test will include a major essay component.
  4) A time to take the challenge test will be arranged through the Registrar.
  5) Note: The challenge test procedure assumes that that the student possesses mastery of course content. The challenge test procedure **does not** include instruction or access to lectures.
6) If the challenge test is passed at a level of C or higher, credit will be given for the course.

7) There is a non-refundable fee for scheduling the challenge test and a per-credit-hour fee for recording the credit if the challenge is successful.
ACADEMIC POLICIES

This catalog attempts to provide accurate information. Nevertheless, the university reserves the right to change or modify the curriculum, the requirements for graduation, and the course content or description of any program of study.

Academic Year

Heritage Christian University operates on the semester system, dividing the academic year into two semesters of approximately fifteen weeks, excluding semester breaks. One semester hour is equal to fifty minutes of class time per week and two hours outside of classroom. Heritage Christian University offers three summer sessions with the possibility of multiple courses in one or more sessions. One- or two-week summer classes meet Monday through Friday for three semester hours of credit.

Class Standing

For curriculum planning and membership in the SGA, students are classified according to the number of semester hours they have completed successfully, according to the following table:

<table>
<thead>
<tr>
<th>Class</th>
<th>Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>Freshman</td>
<td>0 – 29 hours</td>

<tr>
<td>Sophomore</td>
<td>30 – 64 hours</td>

<tr>
<td>Junior</td>
<td>65 – 100 hours</td>
</tr>
<tr>
<td>Senior</td>
<td>101 – 128 hours</td>
</tr>
</tbody>
</table>

Students entering from other institutions will receive
classification according to the number of hours needed to complete requirements for the Bachelor of Arts in Biblical Studies.

**Grading Policies and Grade Reports**

Students who are fully accepted will receive a grade report at the end of each semester if current with financial obligations to the university.

The Office of the Registrar maintains the grades, and they become part of the official record of the university. In reporting grades, notations of letters and their equivalents in numerical grade points (quality points) and other notations are as follows:

Withdrawal Passing, Withdrawal Failing

The academic calendars in this catalog show the final date to drop a class without the class becoming part of the student’s permanent record. If a student properly withdraws from a class on or before that date, no record of the class appears on his/her permanent record. After that date, the student’s record carries the notation WP (withdrawal passing) or WF (withdrawal failing), depending on performance in the course at the time of withdrawal. A WF will be calculated as an “F” in the student’s GPA. To withdraw formally from a course or from the university, a student must begin with the Academic Dean’s Office. The university will not consider a student withdrawn, if he or she simply stops coming to classes. A student who fails to withdraw properly will receive a grade of F on his/her permanent record.

Courses may not be dropped within the last two weeks of lecture.

Incompletes

Students have until Friday of the second week following the last regularly scheduled day of lecture to address an “Incomplete” on their grade report. Any “I” not addressed by the prescribed deadline will automatically become an F.

Grade Point Average, Honors, Graduation, Repeat Courses

A scale of 4.0 is used to figure the grade point average (GPA) for courses attempted. (See chart under Grading Policies and Grade Reports.) To calculate a GPA, divide the
total number of quality points by the total number of credit hours attempted.

At the end of each semester, the administration recognizes students with outstanding GPAs. Those with a semester GPA of at least 3.5 with no grade below C are placed on the Dean’s List. Those with a semester GPA of 3.8 or more with no grade below B are placed on the President’s List. Placement on either list requires at least a twelve credit-hour load, satisfactory work in Christian service, no incomplete work for that semester, and good standing with the university.

Students may repeat courses in which they have received a grade of D+ or below. Credit for a repeated course counts only once toward satisfying graduation requirements. If a student repeats a course, only the last grade will count in computing cumulative grade point average.

To become a candidate for graduation, each student must achieve a cumulative GPA of at least 2.0 on all work attempted at Heritage Christian University. Those who do considerably better are distinguished with graduation honors: those with 3.40 - 3.59, graduate *cum laude* (with distinction); those with 3.60 - 3.84, *magna cum laude* (with great distinction); and those with 3.85 - 4.00, *summa cum laude* (with highest distinction).

**Transcripts**

The Registrar maintains a permanent record of the courses a student has attempted, along with grades, distinctions, suspensions, dismissals, and degrees conferred.

With the written request of the student, the Registrar will release transcripts to other parties, such as other colleges,
universities, or employers. Official transcripts are mailed directly.

The Registrar will release the first transcript at no charge to the student. After that there will be a charge per transcript. The Registrar will release a transcript only when students have met their financial obligation to the university. Requests for transcripts must include the appropriate form completed (see www.hcu.edu for forms), a copy of the front and back of the student’s driver’s license, and the required fee.

**Academic Probation**

For a full-time student, whether traditional or distance learning, any semester GPA below 2.0 will place the student on academic probation for the next semester. The GPA for the following semester must rise to 2.0 or above. If it does not, the student must withdraw from the university, but may return after one semester with the approval of the Academic Dean.

For a part-time student, whether traditional or distance learning, cumulative semesters totaling twelve or more hours with a semester GPA below 2.0 will place the student on academic probation. Reinstatement procedures are the same as above.

A new student may be accepted on academic probation, if his/her academic history is unsatisfactory. The GPA for the first semester at Heritage Christian University must be 2.0 or above. If it is not, the student must withdraw from school but may return after one semester with the approval of the Academic Dean.
Course Loads

Classification as a full-time student requires enrollment for at least twelve credit hours. Enrollment of fewer than twelve hours is considered part-time.

The normal course load is from twelve to eighteen hours. Heavy outside work schedules should not be attempted with a normal load. A student with a cumulative GPA of 2.0 or lower should take a course load commensurate with his/her ability to maintain good academic standing. The maximum load is twenty-one semester hours for students showing superior academic ability.

Class Attendance

The university does not grant credit for any course in which a student’s class attendance falls below 80 percent. Students exceeding three absences will be dropped from the course with the designation Withdraw Pass (WP) or Withdraw Failing (WF), depending on performance in the course at the time of the drop. Three tardies equal one absence.

Inclement Weather Policy

Heritage Christian University makes its own independent weather closure decisions. In consultation with Vice President of Administration, the Vice President of Academics will make the decision. Weather closure information will be communicated to students, faculty, and staff through Populi and via social media.
Distance Learning courses will also follow the inclement weather policy. Instructors will choose whether to post a "makeup" class session or continue at the next meeting time. Please watch for detailed instructions from your instructor.

**Residency Requirements for Distance Learning Students**

For both the AA and BA, distance learning students must complete CH212 Restoration Movement AND one other class on campus. Substitutes may be made by the Director of Distance Learning. To help fulfill this requirement, classes will be offered on campus every summer in an intensive format that will only require one week of in class instruction.

CH212 Restoration Movement will also be offered in an intensive format for the convenience of the distance learning student and will be offered every summer. It involves one week of classroom instructions and a one week field trip to historically relevant locations.

Distance Learning students are expected to attend graduation at Heritage Christian University unless they have received an exemption from the Director of Distance Learning.

**Spouses of Students**

Spouses of students are encouraged to take as many courses as possible. Tuition scholarships are available to spouses of full-time degree-seeking students.
Proctor Policy

A proctor is a trusted person who administers and supervises course examinations.

Some campus instructors require students to participate in proctored assignments. Campus students should contact the Distance Learning Department for an appointment at least 24 hours before the desired appointment time.

If a campus student is registered in a Distance Learning course, the Distance Learning Department is automatically the proctor. Use the instructions above for scheduling an appointment.

All distance learning students will need a proctor for testing. The student must select a proctor according to the following criteria:

- The proctor must be 21 years of age or older.
- The proctor must not be a relative, in-law or employee of the student to avoid conflict of interest.
- The proctor cannot be a fellow Heritage Christian University student.

Often, the student will choose a minister, church secretary, fellow church member, or neighbor as his/her proctor. Many public librarians are familiar with this process and are willing to serve in this capacity. This is convenient for many students because of regular business hours including evenings and weekends.

If a Distance Learning student lives near campus, s/he may use the Distance Learning Department for proctoring.
Rescheduling Examinations

An instructor is under no obligation to reschedule a major examination. The student must always arrange the rescheduling of examinations with the instructor.

Christian Service

Christian Service Objectives

The Christian Service Program:

- Offers extensive supervised experience in ministry and missions.
- Integrates academic learning in a holistic approach to ministry training.
- Helps students learn how to reflect on their own ministries and mission activities.
- Provides students with practice in new ministry responsibilities that enhance their skills and competencies needed to complete important ministry functions.

Involvement in the Christian Service Program helps the student grow spiritually and equips him/her to train others in the same areas of ministry, thus enabling Heritage Christian University to fulfill its mission.

Because of the importance of Christian service to an effective Christian life, Heritage Christian University stresses the spiritual development of its students in faith, prayer, servitude, and dedication. And because graduates enter a variety of ministries at home and abroad that demand
special skills, practical training is an integral part of the learning experience at Heritage Christian University. Christian service is not an optional activity and is vital to the student’s preparation. To graduate, a student must complete the Christian Service requirements consisting of Field Education units and Mission Practicum units. (See the Christian Service Handbook for additional details and requirements.)

**Graduation**

The candidate for graduation must submit an application of intent before midterm of the next to last semester before graduation.

A nonrefundable graduation fee must accompany the application. The fee covers the cost of diploma, cap and gown, and other graduation expenses.

Students failing to meet graduation requirements must submit another application and pay the fee again during the semester in which the degree is granted.
PROGRAMS OF STUDY

THE FOLLOWING SECTION provides information on Heritage Christian University’s degree programs: the Bachelor of Arts in Biblical Studies, and the Associate of Arts in Biblical Studies.

Graduates of the four-year program of study will be well equipped for enhanced ministry. Graduates will be equally prepared to pursue graduate-level education.

The Bachelor of Arts in Biblical Studies

The Bachelor of Arts in Biblical Studies notifies the world at large that the graduate has successfully completed the work that prepares a person for effective evangelistic ministry. Bachelor of Arts graduates have a doctrinal, historical, and systematic perspective of Christianity and its worldwide mission. They apply a comprehensive knowledge of the Bible to their personal lives. They reason critically and logically, communicate effectively, and connect scholarly excellence with spiritual growth.

Objectives and Requirements for the Bachelor of Arts in Biblical Studies

Heritage Christian University divides undergraduate course offerings into three areas of study: General Education, Biblical and Theological Studies, and Professional Studies.

The division of General Education offers courses that are general in content and aim at producing well-rounded students. This component of the curriculum seeks to
broaden and deepen the educational foundation of each student.

**General Education Program Objectives**
