Federal Aid Disbursement For Books and Supplies Policy

HCU students whose financial aid awards (excluding work-study) are greater than the semester charges for tuition, fees, room and board are eligible to charge the cost of textbooks and supplies to their student account. Eligible students are sent an email at least 10 days before the start of the semester alerting them to the availability of a textbook and supplies credit. This will allow students the opportunity to purchase textbooks and supplies on credit at the HCU on campus bookstore or via the eCampus online bookstore. Credit amounts typically do not exceed $500; however, credit increases, if warranted, are granted on a case by case basis by contacting the Office of Financial Aid. Any charges not covered by financial aid are the responsibility of the student.
