

## **Alcohol Counseling Services and Community Support**

Full and part-time HCU students may use the services of the Alpha Center located on campus. Individual counseling, assessment, and referral are available on a strictly confidential basis. For more information visit <http://www.alphacounseling.net>. To make an appointment, call 256-765-7111.

In addition to campus resources available to students, the community also offers support for HCU students. Please review the resources below to make sure you are knowledgeable about resources available in the Shoals to help you or a friend that might need assistance.
