

## **Federal Aid Disbursement For Books and Supplies Policy**

HCU students whose financial aid awards (excluding work-study) are greater than the semester charges for tuition, fees, room and board are eligible to charge the cost of textbooks and supplies to their student account. This will allow students the opportunity to purchase textbooks and supplies on credit at the HCU on campus bookstore or via the HCU eCampus online bookstore. Any charges not covered by financial aid are the responsibility of the student.
