### ***Time and Place of Arrival***

Please arrive to the campus of Heritage Christian University by 12:30 p.m. You have a reserved seat in a designated section of the auditorium. As a higher education and learned society delegate, you are asked to come to classroom when you first arrive on campus. When you enter the building in the main entrance (facing Helton Drive), turn left. At the end of that hallway, turn right, and classroom 12 will be on our left.

### ***Regalia and Robing Area***

As a higher education and learned society delegate, we ask that you provide your own regalia for the ceremony. In the staging area, classroom 12, you will have the opportunity to put on regalia and leave any personal belongings you need to during the ceremony. The room will remain locked during the ceremony.

### ***Processional and Recessional***

Procession lineup will begin promptly at 12:45 p.m. Higher education and learned society delegates will be lined up in descending order of age of institution and will follow the HCU faculty in the processional. Higher education and learned society delegates will also participate in the recessional at the close of the ceremony and exit the auditorium through the same doors.
