

## **HCU to UNA Pathway**

For those interested in attending HCU and then later transfer to UNA

The articulation agreement between the University of North Alabama and Heritage Christian University allows for the transfer of 24 hours of required general education and prerequisite credit from HCU to UNA from a menu of 13 three-credit hour courses (39 hours). The remaining hours may transfer as general elective credits to UNA (see your transfer program/major at UNA to see if general elective transfer credits are available in the degree plan). It also ensures recognition of HCU's BA for admission into graduate programs at UNA. For federal aid options and eligibility requirements for the HCU Legacy Scholarship, visit [www.hcu.edu](http://www.hcu.edu).
