WELCOME TO VIRTUAL T.I.T.U.S. CAMP

Welcome to our first ever virtual T.I.T.U.S. Camp! We usually assemble during this week at Heritage Christian University. Since 2005 TITUS Camp has impacted over 150 congregations, 350 students, from 13 states and three countries. This year may be different but different is not bad. Change can be good! This year we hope to impact even more campers and congregations.

Our theme for this year is “Illuminate” and we are focusing our study on the Sermon on the Mount (Matthew 5-7). Specifically, we will be recognizing the necessity of being the light of the world and a city on a hill. No matter where you are in the world, we will encourage you to light a fire in your soul for spreading the gospel. There will be Facebook Live devotionals, special emphasis classes, worship services, Homiletics, interactive Zoom classes, Impromptu Speech and much more.

We are so grateful that you have chosen to stick with us on this 4 day journey. Our prayer is that it will impact you for eternity! There are dozens of teacher, mentors, and students ready to bless you and be blessed this week. Great things are ahead. May God bless our week!

A Look Ahead to 2021

This year has been different. It’s been difficult. However, we are blessed to know that God is with us! Thank you for your patience and participation this year.

Proverbs 29:18 says, “Where there is no vision, the people perish.” With that in mind, we plan ahead for the 2021 session in expectation that we will have everything we need. We will keep things moving forward financially and raise money for the next session of camp. Because of the increased costs of food and supplies we have increased our annual budget to \$12,000. The date for our 17th Annual T.I.T.U.S. Camp will be set for the week of **July 11-18, 2021**.

Our theme will be “Strange Biblical Things” based on **Luke 5:26**. This was originally slated to be the theme for 2020, but we have pushed our full schedule and field guide a year ahead. The topics will be some of the strangest true stories we’ve ever heard or seen. This theme was actually hand selected by the students last summer.

If you would like to take a brief survey about this year’s camp, please scan the bar code below. Also, we are grateful for all of the support we received this year from both individuals and congregations. We could not do this without your help! If you, or your congregation, would like to contribute to TITUS Camp we would greatly appreciate it. Donations can be sent to:

Please keep us in your prayers as we plan and prepare for the future of T.I.T.U.S. Camp. We would love to hear from you about this year’s virtual session. Any questions, comments, or suggestions are always welcome. We encourage you to fill out camp survey and evaluation form or contact us. May God continue to bless His work and our efforts in the kingdom! God is good! All the time!!!
